

Youth Pastor

An exciting opportunity to join a church in a new season of ministry and mission.

Are you our next youth pastor?

Are you a follower of Jesus with a passion to see young people come to know him? Do you care deeply about seeing young people thrive in their calling as disciples and leaders? Do you have a track record of overseeing spiritual and numerical growth in youth ministry?

If your answer to these questions is 'yes!' then please consider applying to become our new Youth Pastor.

If, after reading, you would like to have an informal conversation about this role with our Vicar, Ben Perkins, then please contact him at ben.perkins@stpaulscamb.co.uk. He would love to hear from you!

St Paul's Camberley

St Paul's is a vibrant, evangelical charismatic church just a short walk from Camberley town centre. This is a really exciting time for the church family. Under new leadership, we are in a period of discerning where God might be taking us in this new season. We long to see all of Camberley encounter the life changing love of Jesus.

During the appointment of the new vicar, the church felt God was calling them to bring young people closer to the centre of the church family. In order to reach the young people of Camberley, we require a visionary youth pastor who can pioneer fruitful missional initiatives and effective discipleship pathways as we strive towards this goal.

Our current youth ministry programme is varied in its style and reach. We are looking for a dynamic leader who is able to come alongside our young people in mission and discipleship to grow our youth ministry and realise our missional potential.

We currently employ a Children's and Families' pastor and have seen great growth in this area in recent years with many new families joining St Paul's. We long to see this work developed as the children reach their teenage years.

St Paul's Camberley

St Paul's Camberley

A person with long blonde hair, wearing a dark hoodie and black pants, is standing on a stage and playing an acoustic guitar. They are positioned in front of a microphone on a stand. To their left is a music stand with sheet music. The background shows a wooden wall with some posters and a door. The lighting is dim, with a spotlight on the performer.

St Paul's Camberley is engaged with local mission beyond the parish, running youth groups and worship nights with Surrey Heath Deanery. We also provide mentoring in a local secondary school in partnership with Camberley Youth for Christ.

Our next youth pastor will be a worshipping member of our church family, and will inspire and equip the whole church to support and participate in youth ministry as we seek numerical and spiritual growth.

St Paul's has a long tradition of developing and enabling young people and youth pastors to grow in their faith. You will be loved and supported as a member of our church family! You will also be joining a staff team who pray together regularly, retreat annually, and are great fun to work with.
