

Youth Worker

An exciting opportunity to join a church in a new season of ministry and mission.

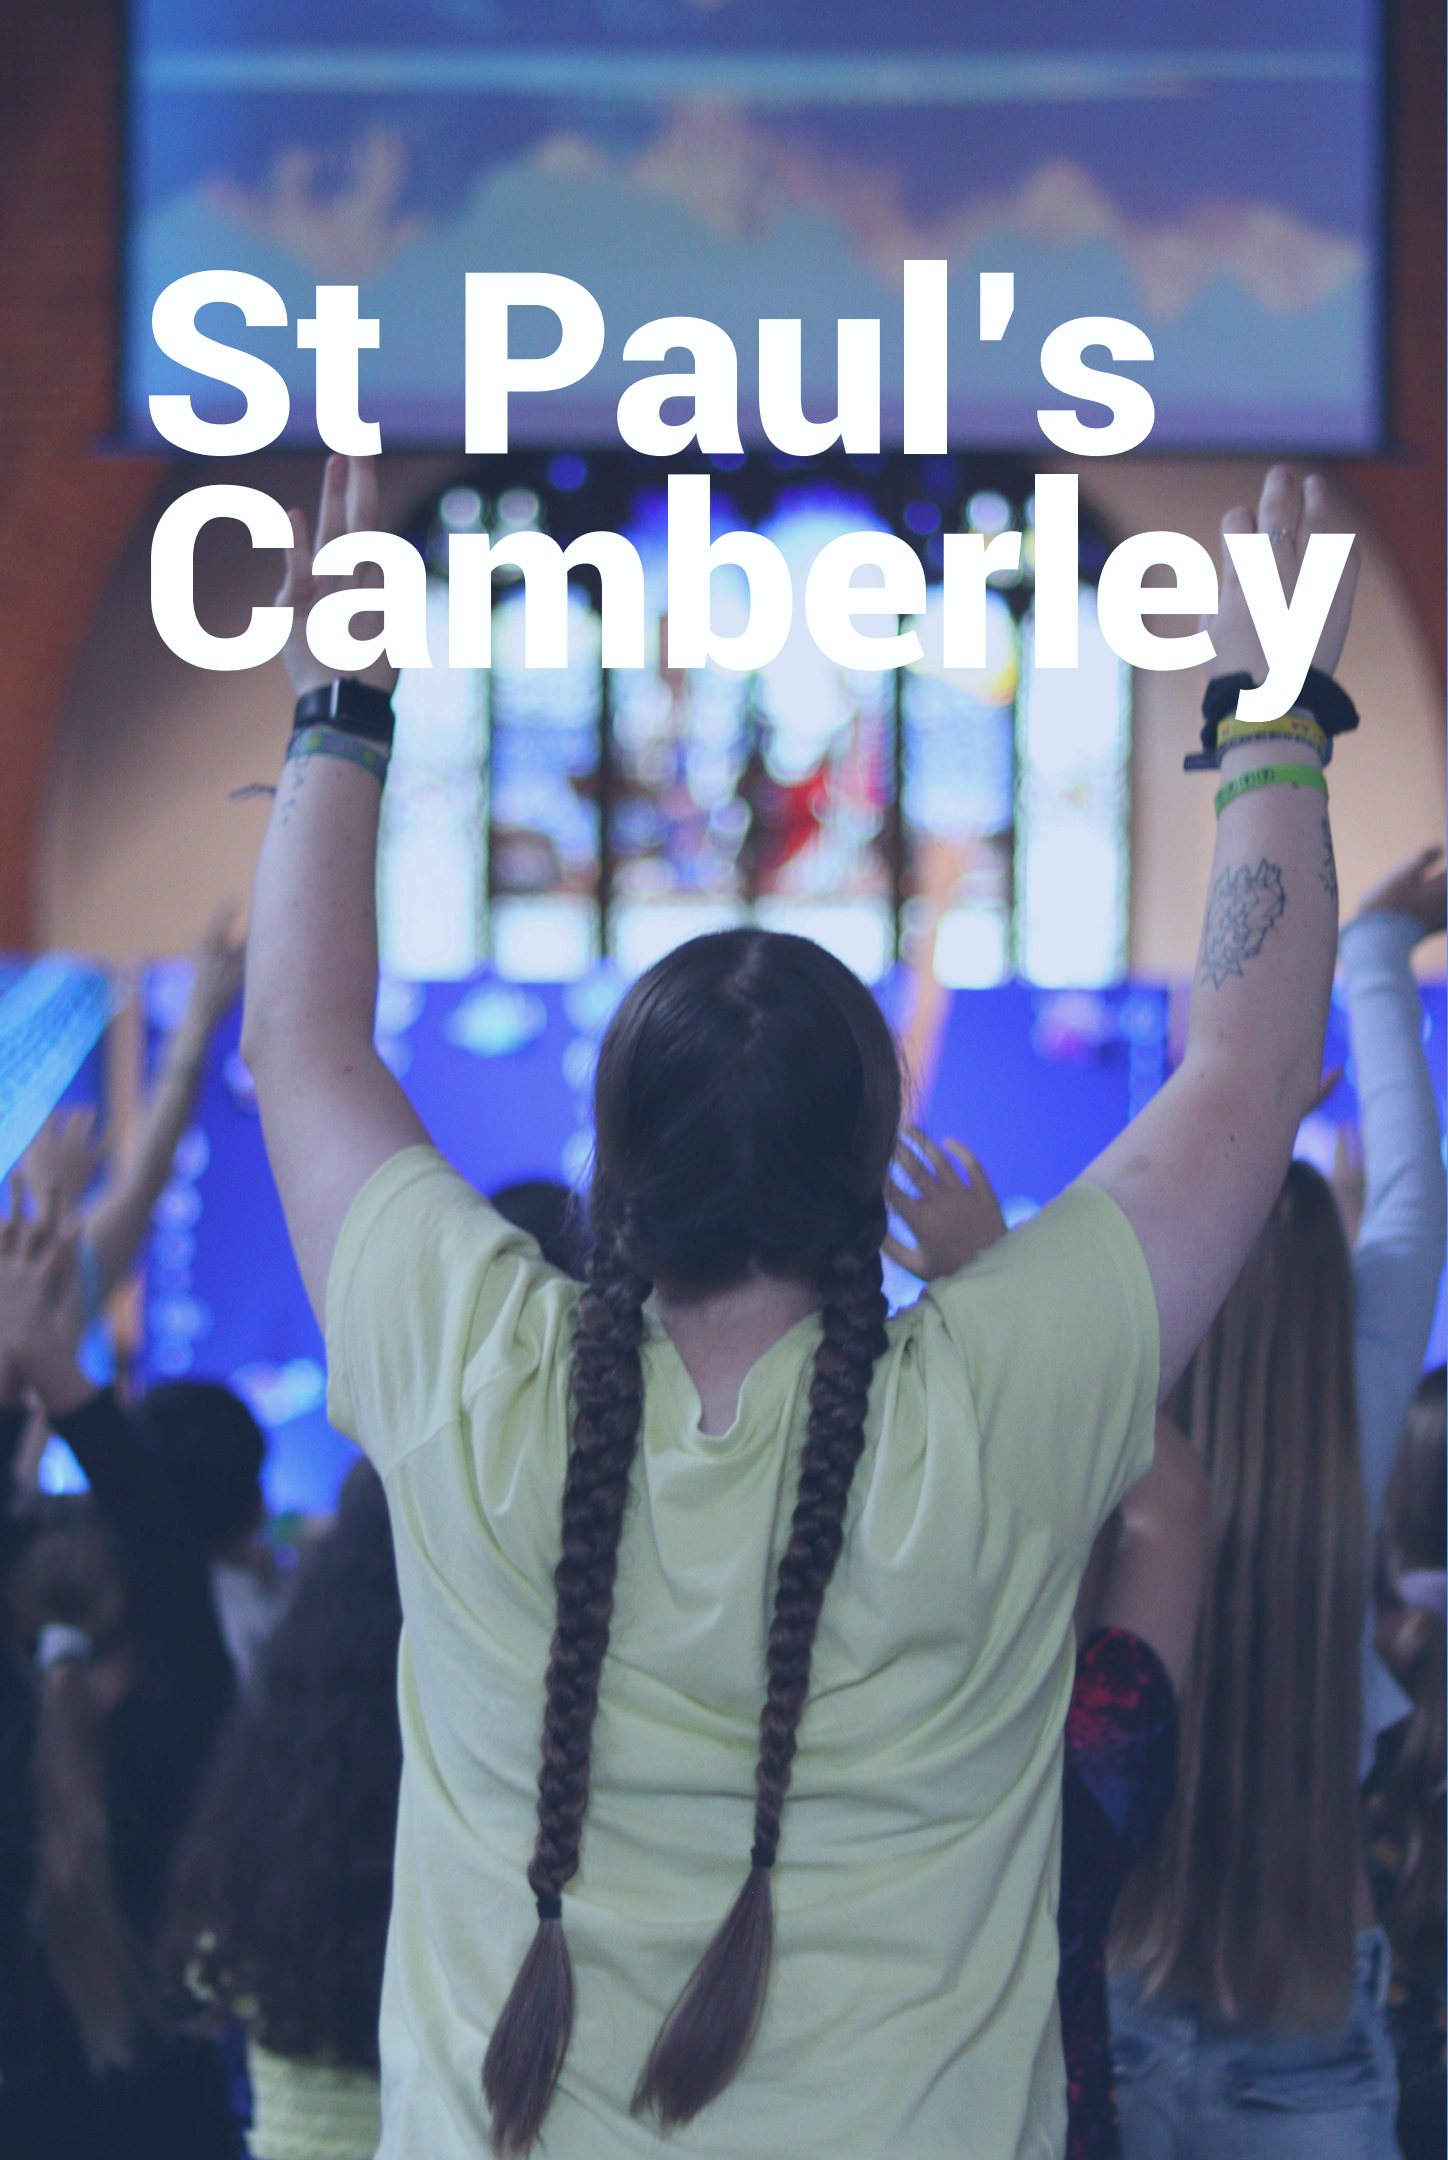

Are you a follower of Jesus with a passion to see young people come to know him? Do you care deeply about seeing young people thrive as members of a church family? If your answer to these questions is 'yes!' then please consider applying to become our new Youth Worker.

We are seeking to appoint a part time Youth Worker to resource our ministry to young people.

If, after reading, you would like to have an informal conversation about this role with our Vicar, Ben Perkins, then please contact him at ben.perkins@stpaulscamb.co.uk. He would love to hear from you!

St Paul's Camberley

St Paul's is a vibrant, evangelical charismatic church just a short walk from Camberley town centre. This is a really exciting time for the church family. Under new leadership, we have just launched our new vision statement which is 'to play our part in seeing Camberley encounter God and experience hope.' We believe young people are so important in this vision!

During the appointment of the new vicar, the church felt God was calling them to bring young people closer to the centre of the church family. We are seeking a Youth Worker to help enable our ministry to young people and help us in this call.

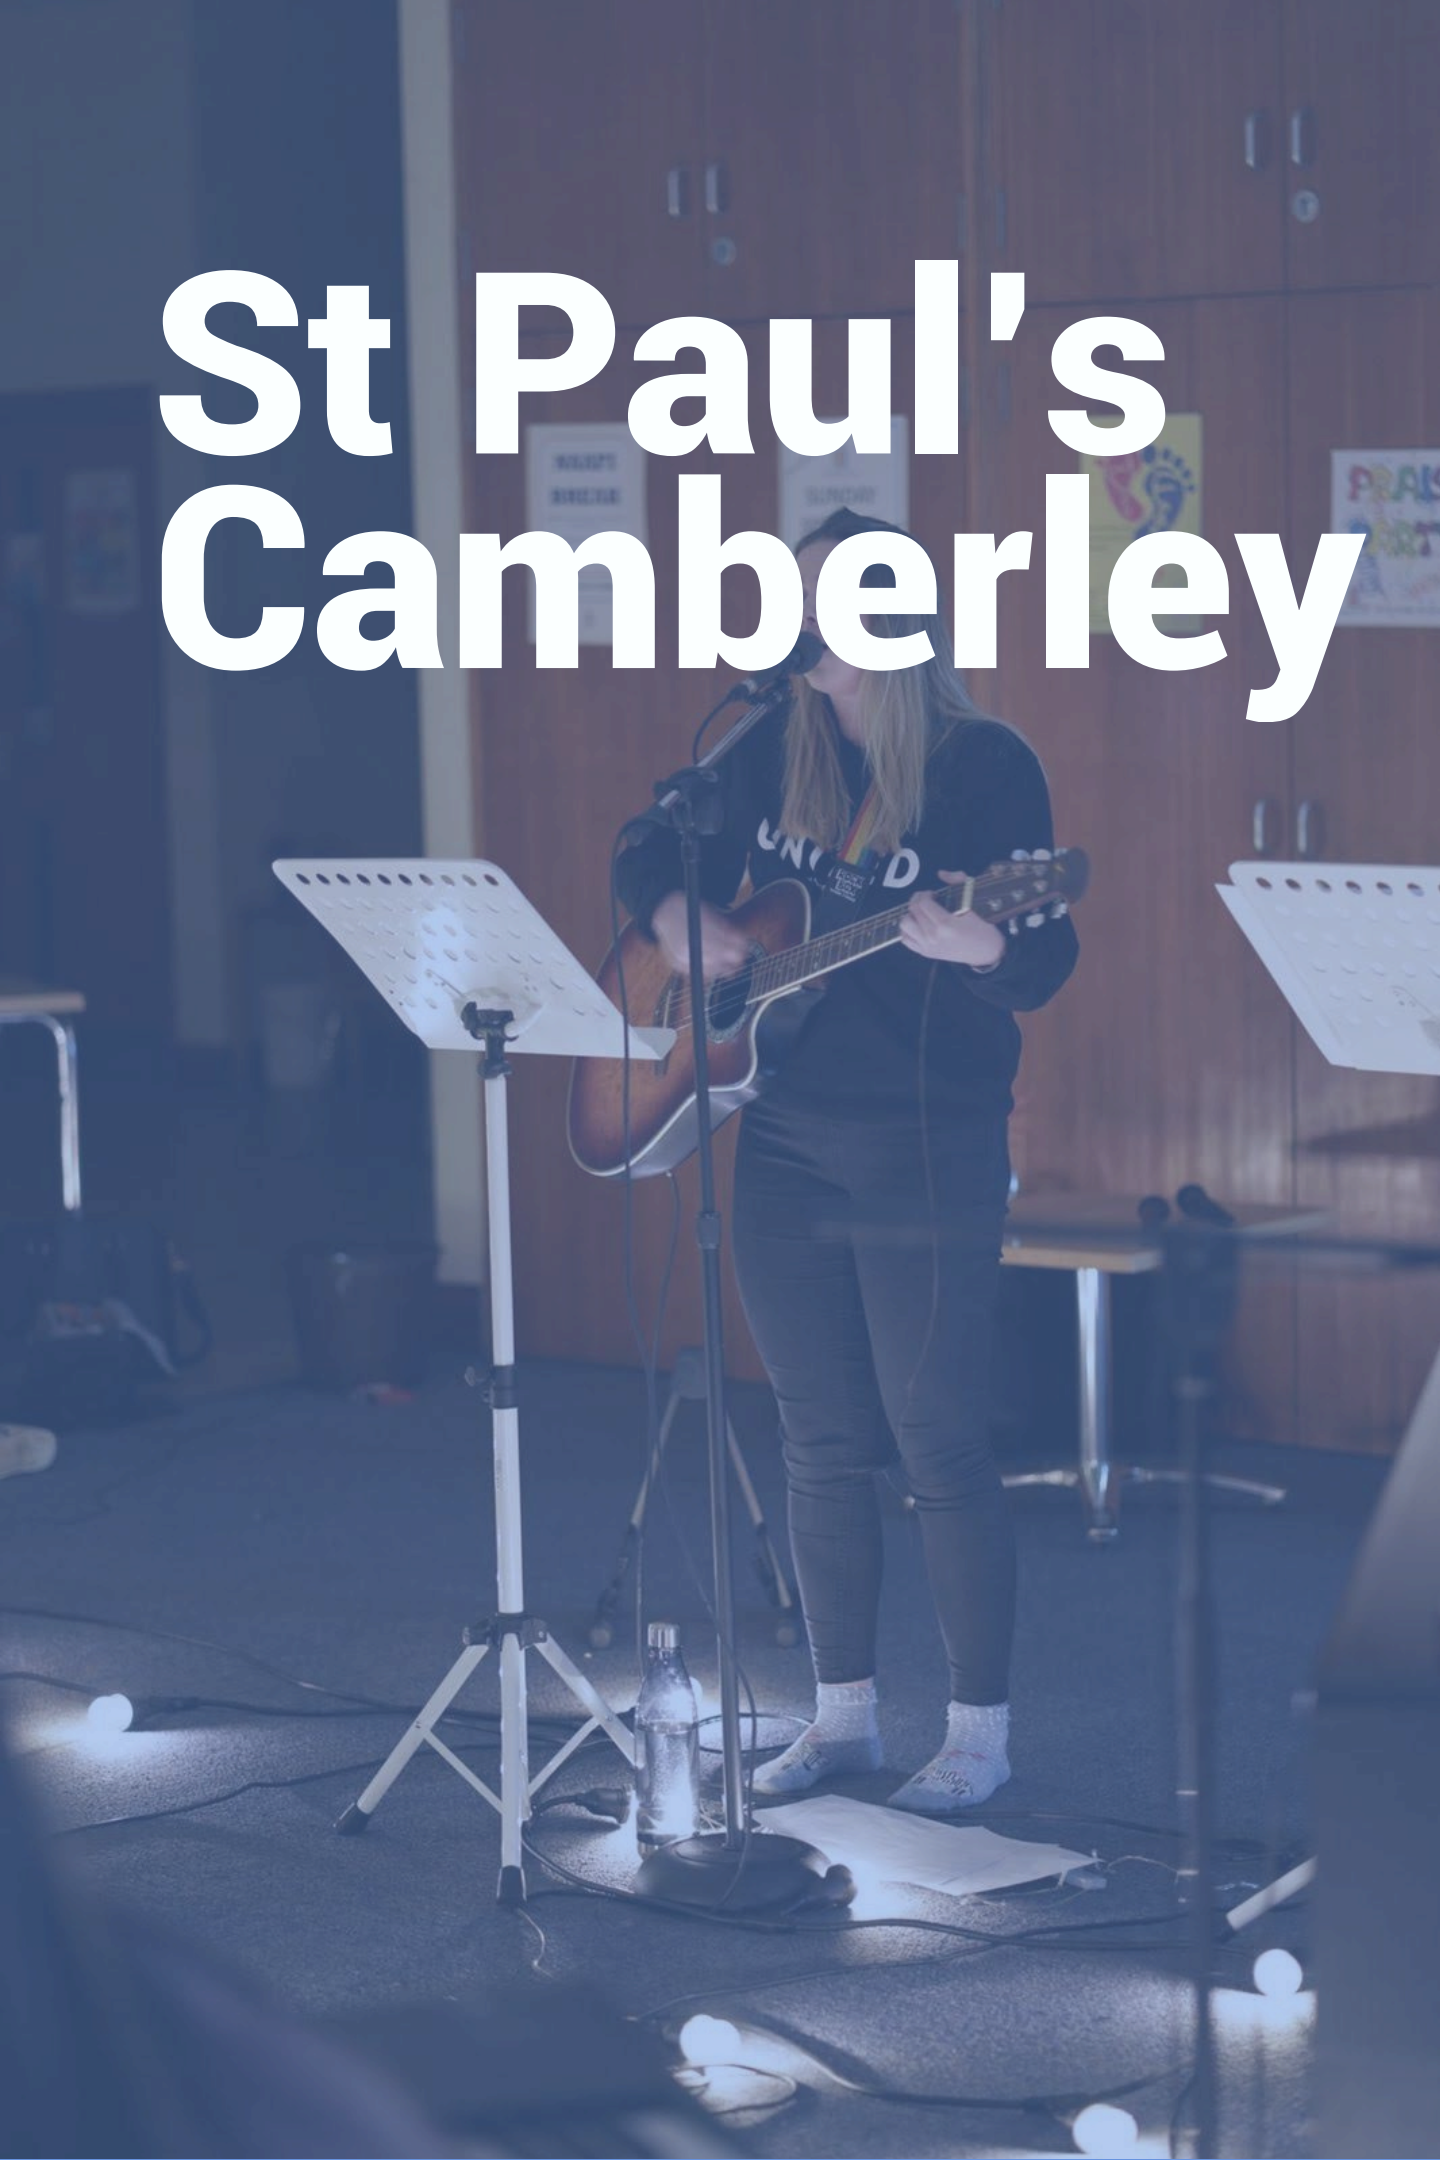

During a vacancy in leadership, our youth ministry is currently stripped back in order to serve our young people wholeheartedly with limited resources. We are looking for a dynamic youth worker to help our youth work reach its potential, investing in our team of volunteers and seeing young people know Jesus and grow as disciples.

We currently employ a Children's and Families' pastor and have seen great growth in this area in recent years with many new families joining St Paul's. We long to see this work developed as the children reach their teenage years.

St Paul's Camberley

St Paul's Camberley

A person with long blonde hair, wearing a dark hoodie and black pants, is standing on a stage and playing an acoustic guitar. They are positioned in front of a microphone on a stand. To their left is a music stand with sheet music. The background shows a wooden wall with some posters. The lighting is dim, with a spotlight on the performer.

Historically, St Paul's Camberley has been engaged with local mission beyond the parish, running youth groups and worship nights with Surrey Heath Deanery. We have also provided mentoring in a local secondary school in partnership with Camberley Youth for Christ.

Our next youth worker will be a worshipping member of our church family, and will inspire the whole church to support and participate in youth ministry as we seek numerical and spiritual growth.

St Paul's has a long tradition of developing and enabling young people and youth workers to grow in their faith. You will be loved and supported as a member of our church family! You will also be joining a staff team who pray together regularly, retreat annually, and are great fun to work with.
